INSTALLATIONS**
DO YOUR PART IN ENSURING A SAFE ENVIRONMENT

WHY CHOOSE US

Organized by the world's first IECEx Certified Service Facility for Ex Inspection and Maintenance, you will learn about actual Ex-related issues from our extensive project experience and how to pragmatically solve them.

Our trainers are certified competent Ex field professionals who are passionate in improving others and making the world a safer place.

This training will fully prepare participants for the CoPC Ex001 Training (Principles of Protection in Explosive Atmosphere **Knowledge**), Ex007 Training (Perform Visual and Close Inspection of Electrical Installations in or Associated with Explosive Atmosphere), Ex008 Training (Perform Detail Inspection of Electrical Installations of Electrical Installations in or Associated with Explosive Atmosphere) and Assessment (by SIRIM QAS International).

COURSE CONTENT

Ex001

- Introduction to explosive protection (Ex), IEC and IECEx
