INSTALLATIONS**
DO YOUR PART IN ENSURING A SAFE ENVIRONMENT

WHY CHOOSE US

Organized by the world's first IECEx Certified Service Facility for Ex Inspection and Maintenance, you will learn about actual Ex-related issues from our extensive project experience and how to pragmatically solve them.

Our trainers are certified competent Ex field professionals who are passionate in improving others and making the world a safer place.

This training will fully prepare participants for the CoPC Ex003 Training (Install Explosion-Protection Equipment and Wiring System), Ex004 Training (Maintain Equipment in Explosive Atmosphere) and Assessment (by SIRIM QAS International).

COURSE CONTENT

Ex003

- General information on Ex installations
- Fitting requirements associated with protection methods
- Requirement for cable extension
- Identification of equipment and protection methods
- Documentation requirements

Ex004

- General information on maintenance of Ex installations
- Maintenance principles and system
- Maintenance requirements and responsibility
- Identifying equipment and protection methods

CoPC Ex003 + Ex004 TRAINING
